OFFICER REPORTS

President, Tori Sedlock (udpanhel.president@gmail.com)

- Question of the week: what's something you do to take care of yourself when things get busy?
- I sent out an email to your presidents about 2 things
 - President round tables
 - Panhel exec coming into your chapter meetings to introduce ourselves
- Theme ideas
 - Breaking barriers
- Reminder to shout out the Instagram in your chapters so they can see all of our fun updates and information:)

Vice President of Standards, Mekenna Passner (udpanhel.vpstandards@gmail.com)

- Just a reminder that social chairs need to submit social forms at least 5 days prior to the event, including the guest list. Liquor licenses are due 2 days prior to the event.
- Please send my survey out to your chapters if you haven't already, I'd like to get feedback from most if not all of the chapters so that I know what people want to participate in this year!
 - Shoutout AXiD and Phi Sig for having 40 responses each!
- Just as a reminder, your chapters cannot mix with off campus and suspended fraternities. I think it's really important to remind your chapters that these groups were suspended or kicked off campus because they violated one or more policies that the University put in place to keep us safe. I know bid nights just happened, but I think that it's important to keep in mind that you're representing both your chapter and Panhellenic all the time. (You in general, not you like the people sitting in front of me)
 - Current suspended fraternities: Delta Kappa Epsilon, Kappa Alpha Order, Kappa Sigma, FIJI (Phi Gamma Delta), Sigma Nu, and Sigma Pi
 - There are currently two chapters that are on social probation. This means that they are not allowed to have events with alcohol. This includes, but is not limited to, date parties, night parties, mixers, formals, and semi-formals. **It currently says on the FSLI website that these two fraternities are on disciplinary probation, however, they are also on social probation (the website just needs to be updated).**
 - Kappa Delta Rho
 - Phi Kappa Psi
 - As always, MACHI and APES are **underground**, and you absolutely may not mix with them.
- I'm sure chapters will be celebrating St Patrick's Day this weekend and I want you to encourage your chapters to be safe this weekend. I know that everyone wants to have fun, but it's important to keep in mind safety.
 - You are always wearing your letters and representing the Panhellenic community!
 - <https://sites.udel.edu/studentconduct/amnesty/>
 - ***For Amnesty: call FOR HELP FIRST, and apply for amnesty after. You can follow the instructions if necessary through the above website. Please share this with your chapters so that they have this information!

Vice President of Communications, Courtney Auer (udpanhel.vpcommunications@gmail.com)

- Panhellenic sweatshirt's for people in your chapter possibly will be given to you

- I want to collaborate with you and your chapters on what they want to see from the instagram

Advisor Update, Amne Harrington

- As we discussed briefly at FSL Senate, please make sure your chapter is having a conversation about safe and appropriate behavior with St. Patrick's Day coming up. I imagine folks will celebrate this upcoming weekend, so if your chapter hasn't had a conversation about expectations, that should happen ASAP.

- Don't forget to check out Shamrockfest happening on Saturday, March 14th in both Trabant and Perkins. There's free food throughout the day along with various activities and giveaways.
- Hopefully you sent members to the hazing prevention speaker, Lianne Kowiak, happening right now in Mitchell Hall put on by the FSLC Programming Committee.
- Just as food for thought, there are some women who date women, so maybe consider saying you have big/little dates coming up rather than girl dating.
- The Spring 2020 CAP Community Service and Philanthropy Form was shared today with CAP Chairs and presidents.
- There is an Airband Chair meeting tomorrow at 8pm, location Allison 131. Please contact the Airband Coordinators with any questions at airbandud@gmail.com.
- I will be out of the office from Thursday, March 12 until Wednesday, March 18. If you all need anything, you can reach out to any other FSLC staff member or call 302-831-6167 (Katie's line) during business hours. If your question or matter can wait until I get back, then feel free to send me an email and I'll respond once I'm back in the office.
 - Any COB related emails should go to Katie Gibson, kgibson@udel.edu.

The next meeting will be 3/16/20 at Trabant Student Center 7pm.
