OFFICER REPORTS

President, Tori Sedlock (udpanhel.president@gmail.com)

- Question of the day: what is a summer goal you have?
- Submitted our annual report to NPC:)
- Good luck with finals:) feel free to reach out for any reason this summer:)

Vice President of Standards, Mekenna Passner (udpanhel.vpstandards@gmail.com)

- Continuing working with IFC throughout the summer once we hear from the University as to what's going on with Fall semester
 - I'm really happy with our progress and what we've worked together to come up with and we will be updating chapters on everything in August!
- Sent out another email regarding COVID-19 & Social Distancing for those who decided to go back to campus
 - Key Points:
 - Those who decided to go back should not be gathering in large groups or partying - there's still a stay at home order
 - Keep in mind what could be perceived as a chapter event - University's definition is 'a reasonable outside person's perception'

- So if someone was walking by would they think it was a chapter event?
 - Newark police is giving out citations with fines that are up to \$500 for those who are found breaking the stay at home order - it's **not worth it**
 - Your members are always representing your chapter, even over the summer while social distancing is likely still going to be in place
 - I encouraged all of your presidents/standards chairs to have a conversation to your chapters about this - it's really important
- There are many people in our community who have been affected by this pandemic in one way or another, whether a parent lost their job, a family member or close friend has gotten the virus, or they could be working on the front lines of this pandemic. Many of our chapter alumni are working on the front lines of this pandemic as well, and if we break social distancing just to party we're really letting them down.
- I appreciate all of your time this semester and your patience as we figured out what was happening with everything due to the pandemic! Good luck on finals :)

Vice President of Communications, Courtney Auer (udpanhel.vpcommunications@gmail.com)

- Want to start new insta post ideas
 - "I'm a sorority woman and..."

Advisor Update, Amne Harrington

- Happy last day of classes everyone! Please make sure to utilize the resources from the UD Library and Office of Academic Enrichment to help you be successful during finals.
- Congratulations to all the award winners! And thank you to all those who applied for awards. It truly was difficult to make most of our final decisions because so many chapters and individual students are doing phenomenal work. It's not fun to make those tough decisions but it makes me proud that it is so hard because it means there's so much good happening.
- FSLI held our Council Leaders Training yesterday with the council executive boards of IFC, MGC, PHC, and SIGC focused on helping folks get to know one another, consider the role of a governing council, learn about each of the councils, review job descriptions, and discuss fall plans. Our staff was happy with the feedback and it gives us hope that if we have to do Fall Leadership & Learning Academy over Zoom, we can make it work.
- Please don't forget to submit the Chapter Officer Update Form by June 15th. Here is the link: <https://studentcentral.udel.edu/submitter/form/start/228671>
- Encourage your seniors to participate in the Blue Hen Celebration video capsule - <https://udel.capsule.video>.
- Thank you to Lauren for her service on exec! I am sorry you aren't able to continue but all you've done in this short time to bring real, honest perspective to conversations and the purpose you've given to Panhellenic programming planning is really important and would've been a loss for us if you hadn't done it.
- Thank you to Delta Gamma for 25 years of contributions to UD and beyond. Thank you for all you've done in the 5 years I've been here and for all the ways you've helped elevate the sorority experience at UD. I've truly enjoyed each and every interaction I've had with members of Delta Gamma over the years, I will truly miss getting to work with your chapter. This is a sad moment but hopefully the community can work on itself so that when Delta Gamma returns in the future, the chapter can join a stronger, more positive community.
- Thank you to all of YOU for all you've done this semester! No one has ever had to deal with this type of situation before, so your patience and participation in keeping the Panhellenic Council and community going is much appreciated.
- Good luck on finals and take care of yourselves and each other!

The next meeting will be Fall Semester
