

PNM Attire Lookbook

Important Reminders

What is Values Based Recruitment?

Values Based Recruitment is our way of centering the recruitment process for both the sorority member and the potential new member on the rich core values of each inter/national women's organization to help ensure a rich experience for all who participate.

Before choosing your planned clothing for the formal recruitment process, it is important to keep in mind that the University of Delaware's Panhellenic Community upholds a Values Based Recruitment.

Tip #1

Limit the amount of accessories you wear. This includes flashy jewelry, no additional tops aside from your PNM t-shirt, or excessive hair accessories.

Tip #2

There will be rooms in each event location for PNMs to store bags/winter clothing. Be sure to bring a jacket for the cold February weather!

Tip #3

Prioritize comfort!! You will be standing for the most part during events as well as may need to walk from event locations.

BID DAY

For Bid Day festivities, you will arrive to Clayton Hall in your choice of jeans or pants that meet the dress code from Philanthropy and Sisterhood, as well as a comfortable t-shirt or top you'd like.

After Rho Gamma Reveal and bid distribution, you will be given a t-shirt from your new chapter to be worn for the rest of the evening. Each chapter has a theme to their bid day festivities that is kept very secret until after bid distribution, so it is ok that you do not come dressed to your new chapters theme!

Monday, February 20th

In-Person

Other tips!

When deciding what pieces from your wardrobe you want to wear during recruitment, choose articles that have some meaning or story behind it! This makes for great conversation topics to use during events.

If you are ever unsure if your chosen outfit will be satisfactory for a round, please reach out to your Rho Gamma for confirmation before you arrive for your first event.

The recruitment process is all about *you* and how *you* feel! Be confident, comfortable, and feel good in the clothing you choose to wear. Sisters are there to get to know you and not the latest fashion trend :)
